ASX Announcement

### **MARKET UPDATE**

Classic Minerals Limited (ASX: CLZ) (**Classic** or **Company**) provides the following updates to the market.

#### **AuResources AG Multi-Million Dollar Funding Facility Update:**

The Company hereby provides an update to its binding terms sheet<sup>1</sup> & Agreement with AuResources AG (**AuResources**) as announced on 22 February 2024 & updated on 19 June 2024, pursuant to which AuResources will initially advance **US\$10 million** (A\$15.3 million)<sup>2</sup> (**1<sup>st</sup> Tranche**) to Classic (**Terms Sheet**). The Terms Sheet also provides for the advance of a further **US\$50 million** (A\$76.5 million)<sup>3</sup> in 5 tranches of US\$10 million each (A\$15.3 million each)<sup>4</sup> subject to previous advances having been repaid in accordance with the terms of the Terms Sheet. Each further tranche is repayable in six equal quarterly payments commencing six months after the relevant advance.

Classic Minerals Limited is pleased to confirm that its agreement with AuResources AG remains firmly in place. AuResources AG has reaffirmed their commitment to funding Classic, demonstrating a continued and proactive partnership. As part of their ongoing efforts, AuResources AG is actively advancing multiple key initiatives, including their recently announced technical collaboration with Coinbase. This partnership strengthens both companies shared vision of driving innovation and growth for investors.

The delay in funding has been due to a combination of market conditions, finalising the compliance requirements, and aligning schedules with our institutional partners. We're pushing forward diligently.

Classic also advises that the use of funds for the Tranches to be received remain unchanged although the timetable on page 3 of the 22 February 2024 announcement will necessarily change due to the changes in timing of funds required to be expended to meet the delineated milestones. To date Classic has received USD 165,094 equating to AUD 255,376.00 under Tranche 1 as announced on 01 July 2024.

Classic will advise the market upon receipt of the first tranche of funds and also provide a fresh timetable at that time. A further update will be provided on or before 30 November 2024.

### **ABOUT THE FORRESTANIA GOLD PROJECT**

The FGP Tenements (excluding Kat Gap) are registered in the name of Reed Exploration Pty Ltd, a wholly owned subsidiary of ASX listed Redivium Ltd (ASX: RIL), previously Hannans Ltd. Classic held 80% of the gold rights on the FGP Tenements via a third party, whilst Redivium maintained its 20% interest in the gold rights. Classic is in the process of purchasing the final 20% from Redivium pending terms of the binding sale agreement (CLZ HNR ASX release 03 Oct 2023 and RIL CLZ ASX release 5 June 2024). For the avoidance of doubt Classic Ltd owns a 100% interest in the gold rights on the Kat Gap Tenements and also non-gold rights including but not limited to nickel and lithium.

Classic has inferred and indicated mineral resources of **8.09Mt at 1.45 g/t for 377,946 ounces of gold**, classified and reported in accordance with the JORC Code (2012), with Scoping Study (see ASX Announcement released 2nd May 2017) suggesting both the technical and financial viability of the project. The current post-mining Mineral Resource for Lady Ada, Lady Magdalene and Kat Gap is tabulated below. Additional technical detail on the Mineral Resource estimation is provided, further in the text below and in the JORC Table 1 as attached to ASX announcements dated 21 June 2023.

- The effective date of the mineral resource estimate is 10 June 2024.
- The mineral resource is contained within FGP tenements

- Mineral resources for Lady Ada and Lady Magdalene (Ladies) are reported at 0.5 g/t Au cut-off grade, Kat Gap at 0g/t Au.
- Depletion of the resource from historic open pit mining has been considered for the Ladies deposits. Trial pit mining depletion at Kat Gap has not been accounted for in the block model due to the ore remaining unprocessed.
